YOUR DANCE AND THEATRE FESTIVAL

July 11–24, 2025

OPEN CALL 2025

Be part of Rampenlichter in July, 2025! Application starts on 1st of November 2024 for kids, teens and young adults (age 6–27 years) with their dance, theatre and dance-theatre plays. In 2025, the festival will have a focus for the first time: **we will explore together how our joint artistic work can contribute to democracy, participation, diversity and freedom.** Your plays are welcome to fit in, but all other topics will – as always – find their space and their stage!

We are looking for your plays by and with children from the age of 6, teenagers and young adults up to the age of 27 for the fourteenth Rampenlichter Festival! **We are looking for productions that have been created in co-production with adults, but with significant artistic participation by young artists up to the age of 27, for example in independent projects, in the youth center, in the theater group or in the dance combo.**

Invited groups will spend an inspiring week together with other young artists at the festival in Munich in July 2025. Groups from Munich, other counties in Germany and international groups will come together with their own program – the ArtExchange program for young artists.
